

Memorials & Tributes

Your lasting memorial or tribute will inspire our visitors and support our mission to increase the understanding, appreciation and conservation of plants native to our unique area.

To learn more about arranging a memorial or tribute, email us at info@thearb.org or visit our web site at www.thearb.org.

Celebrate a special occasion or remember your loved one or friend with a memorial or tribute in our gardens.

The Arboretum at Flagstaff proudly offers these options for your memorial or tribute gift

Benches \$2,500

Benches allow visitors to rest and enjoy scenic views throughout our gardens. You may name a bench in honor of a friend or loved one to ensure that others can appreciate the Arboretum gardens as much as you do. The bench comes with a brass plaque for a period of 10 years*.

Tribute bench locations are pre-determined to fit our long-term master plan.

Adopt-a-Tree \$850

Adopt an existing tree on the Arboretum grounds. We will help you select the perfect tree and place a commemorative tree tag for a period of 10 years*.

Adopt-a-Tree options are pre-determined and include only trees that are already planted and established on our site. Your gift will help to ensure the care, longevity and good health of the tree while also fitting our long-term master plan.

*"Trees are as close to immortality as the rest of us ever come."
- Karen Joy Fowler*

Donations Any Amount

Consider making a donation for a birthday, anniversary, wedding, the birth of a child or any other special occasion. Gifts will be acknowledged to the donor and the honoree.

**Due to the extreme environmental conditions at the Arboretum, we can only guarantee our tree tags, benches, and plaques for 10 years, at which point we will contact you about purchasing a replacement. If the signage is still in good condition it will not be removed or replaced.*
